

Zukunft neu gestalten...

To strengthen our team at our Ginsheim-Gustavsburg location, we are looking for a committed

Interim Project Operations Manager (m/f/d)

Reference: 15028709

fixed-term interim position for one year

Responsibilities:

- Take operational responsibility for managing multiple development projects.
- Lead and coordinate application projects while ensuring commercial and business objectives are achieved.
- Ensure the efficient execution of day-to-day project operations, including resource planning, task prioritisation and close coordination with the Project Operations Manager, Project Managers and Technical Team Leads.
- Plan, manage and deliver projects in close collaboration with our customers.
- Ensure compliance with project schedules, defined processes and quality standards.
- Present project progress and project results to customers.
- Identify opportunities for process, resource and project workflow improvements and drive their implementation.
- Take over operational project responsibilities in critical project situations to ensure successful project delivery.

Your Profile:

- Successfully completed a university degree in Engineering, preferably in Mechatronics, Automotive Engineering, Mechanical Engineering, Electrical Engineering or a comparable discipline.
- Several years of experience managing development projects in the fields of internal combustion engines and powertrain systems, for example as a Senior Project Manager or in a comparable position.
- Strong business acumen combined with a structured, analytical and solution-oriented approach to work.
- Experience working closely with senior management and executive leadership.
- Fluent German and English language skills, both written and spoken.
- Excellent communication and interpersonal skills, assertiveness and a strong team-oriented mindset.

Are you looking for an interesting job in a small, intercultural team? Do you enjoy constructive collaboration with short communication and decision-making channels? Then we look forward to receiving your application documents, including your salary expectations and earliest possible starting date.

Your contact: Frau Sabrina Palatini
