For our office in Ginsheim-Gustavsburg, we are looking for an experienced

Automotive After Sales Specialist (m/f/d)

Referenz: 14454214

Responsibilities:

- Define and implement measures to strengthen Isuzu's customer relationships in cooperation with dealers and distributors across Europe
- Propose and support business development activities for distributors and dealers
- Evaluate operations at Isuzu dealers and submit improvement plans
- Administrate and analyze data from distributors regarding vehicle intake, service and parts profit
- Support the organization and execution of the annual European service conference for distributors
- Collaborate with internal stakeholders, especially with departments in Japan

Your Profile:

- Qualification as a Master Technician or any other equivalent
- Professional knowledge and experience in workshop operations and customer services
- Knowledge of light- and heavy-duty trucks, initial experience with electric vehicles
- Well-developed negotiation and coordination skills
- An analytical, flexible and proactive team player with strong communication and intercultural skills
- Good knowledge of German and English language (spoken and written)

Are you looking for an interesting job in a small, intercultural team? Do you enjoy constructive collaboration with short communication and decision-making channels? Then we look forward to receiving your application documents, including your salary expectations and earliest possible starting date.

Your contact: Frau Sabrina Palatini
